Operating room expertise under one roof with global partner network

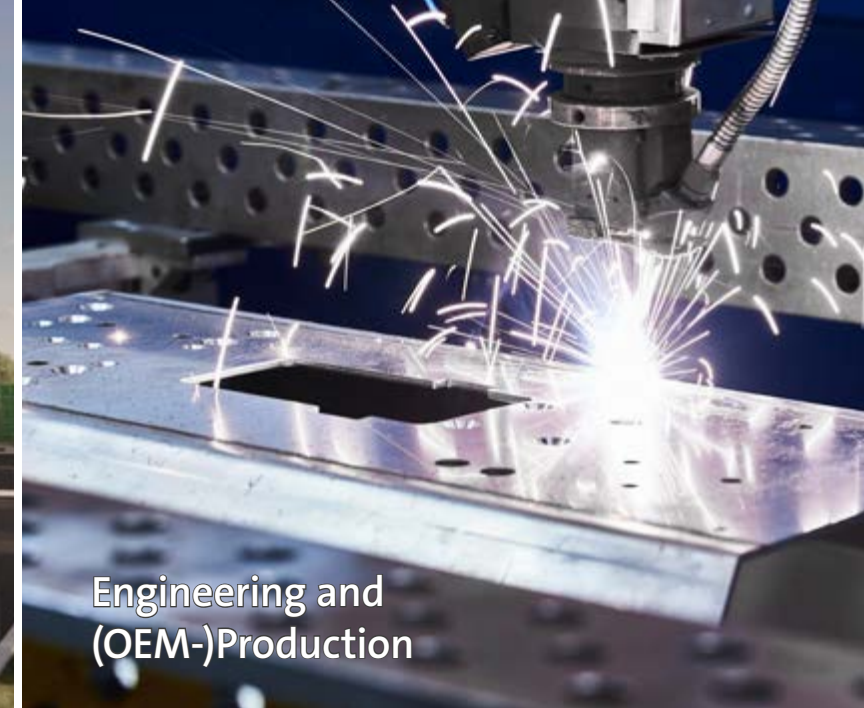

medifa is an owner-run and internationally active complete solution provider for medical technology.

The product and service portfolio covers all operating room requirements from modular wall, door, ceiling and cabinet systems (RooSy® Room Systems) for the turnkey operating room, as well as operating tables with accessories, operating lights right up to special construction solutions and medical furniture. In addition, one of the largest German OEM suppliers in the medical technology sector also belongs to medifa.

The medifa healthcare group employs approximately 350 employees at three locations within Germany. The planning, engineering and production take place exclusively in Germany, and with over 80% added value in the group of companies, the group guarantees fast reaction times.

we care.

Engineering and
(OEM-)Production

The slogan „we care“ means for us that we consistently orientate ourselves according to the requirements of our customers. Customers all over the world can rely on top-class consultation, processing and quality from a single source, made in Germany according to certified national and international quality standards.
