

## Tradex app - Tradex on the go!

Tradex.app combines all features of Tradex+, Virtual Fair and Virtual Fair+ and enables you and your clients to stay in touch and up to date.

The App, available for iOS, android smart phones and tablets, qualifies anyone to interact with you before-during-after each show being held.

Integrated search functions to check for profiles, products, etc. are linked to our:

- Virtual Fair List
- Company List

Additionally a Route-Planner and Appointment Manager helps you to organise and to coordinate your events ...
